A special Transit week is scheduled for May 5-9, 2014, to include events and festivities promoting transit. There was extensive discussion on vanpool services and expansion of services needed in the region.

**B. PPACG/City of Colorado Springs 5310-5317 Project Selection**

Mr. Brian Vitulli, PPACG Senior Transportation Planner, presented project awards for Section 5310-5317 funding that supports the mobility of seniors and those with disabilities. An evaluation committee formed by PPACG reviewed and selected project applications that best met the goals of the programs. The process was administered by PPACG and overseen by staff from the City - Mountain Metropolitan Transit.

There were CAC member questions regarding representatives selected for the evaluation committee, services provided by Goodwill to USAFA and Mr. Don Feigel expressed his dissatisfaction with Fountain Valley Senior Center's application being excluded from the funding awards. He had multiple questions on the process followed, the evaluation criteria used, and representation from the County. There was discussion relating to including evaluators that were vested in the process and from the disabled community, Fountain Valley's service area – urbanized or rural, the source of the 5310 funding, whether there was an operating expense cap placed on the applicants, how many hours the committee convened, the development of the Program Management Plan (PMP) based on the prior year's process, and the cumulative/maximum scores for the projects.

Mr. Vitulli collected comments from the majority of the committee members and the comments will be forwarded to the PPACG Board of Directors for a final presentation.

Mr. Vitulli stated that a list of neutral parties from established committees was formed by PPACG; two of the evaluation committee members were from PPACG's Mobility Coordinating Committee – The Independence Center and the Myron Stratton Home.

Mr. Feigel inquired if there was another program that administers rural funding. Mr. Vitulli said that CDOT administers the rural process. Fountain Valley Senior Center as part of the MCC is kept up-to-date on funds available.
