

PPRTA Fourth Quarter progress report

Department of public works

To the PPRTA CAC and the Board of Directors;

For the months of Oct, Nov, and Dec the public works dept. was very occupied with transition with myself becoming very familiar with everything and preparing for the upcoming winter and finally being able to hire someone. The PPRTA maintenance funds that were available are being carried over into the 2015 season. Were looking forward to a most exciting 2015. Thank you so much to all CAC members and the Board of Directors of the PPRTA.

Michael Cullinane

Public Work Director

The Town of Green Mountain Falls, Colorado
