## **PPRTA Third Quarter Progress Report 2013**

Department of Public Works - Road Division

11-16-13

To the PPRTA CAC and Board of Directors;

On the maintenance side during the months of July, August and September DPW was busy with the Road Rehabilitation and Erosion Control Projects. Aggregate roadways were enhanced through proper material application specifically aimed at controlling excess water runoff in a challenging environment. Efforts through the ROW Reclamation Project also widened and improved a number of streets.

The Capital Improvement Project has been completed.
