RE: **2017 PPRTA Budget Amendment 2 - Transit**

The City of Colorado Springs Transit Services Division is proposing the following amendment to the 2017 PPRTA budget due to the increased sales tax revenue.

Funding Source	Amount
2017 Additional Sales Tax	\$540,000
Total Amendment 2	\$540,000
Proposed Expenditure	
Consolidated HSP Call Center	\$24,300
Fixed-Route Service Improvement	\$515,700
Total Amendment 2	\$540,000

The funding for the Consolidated HSP Call Center will be used to match the federal 5310 grant, which supports the call center operation.

A number of fixed-route service improvement options are listed below. The final decision will be made after the public process and more detailed ridership analysis.

- Partnership with Northern hospitals to provide transit services
- Add service on Union Boulevard
- Increase weekday frequency to 15 minutes on Route 27 S Academy-PPCC or Route 1 Hillside-Hancock Plaza
- Add Saturday Service on Route 32 Security-Widefield
- Add Sunday service on several routes
- Add Saturday evening service

SUBJECT: **Proposed 2017 Pikes Peak Rural Transportation Authority Budget Amendment 2**

The City of Colorado Springs is pleased to submit its proposed Revised Budget (Amendment #2) for both the Capital Program (2015-2024) and for the 2017 Maintenance Program. The proposed additional revenue allocated to the City Capital Program is **\$2,104,542**. The proposed additional revenue allocated to the City Maintenance Program is **\$1,339,228**.

City of Colorado Springs Capital Program (2015-2024)

The City of Colorado Springs proposes to apply its share of the 2017 Additional Revenues for Amended Budget #2 in the amount of \$1,704,542, to the Pikes Peak Ave. Reconstruction project and \$400,000 to the Citywide On-Street Bikeway Improvement program. This action will bring the Pikes Peak Ave. Reconstruction project budget to \$7,761,665 and the Citywide On – Street Bikeway Improvement program budget to \$1,577,871. The City is also requesting a line item transfer of \$500,000 from the Academy Blvd: Bijou to Airport Reconstruction project to the Circle Ave. Bridge EB over Hancock Bridge Rehabilitation project. The Circle Ave bridges are experiencing deterioration and the schedule for design and repair needs to be advanced.

Table 1, attached reflects a summary of the budget allocations resulting in a 2017 revised budget of \$84,414,971. The 2016 carryover amounts have been updated to reflect the actual carryover amounts as provided by PPRTA Finance. The table also reflects the budget allocations previously identified for the 2016 Additional Revenue Carryover and the 2017 Additional Revenues for Budget Amendment #1 and the allocation of Additional Revenues for Budget Amendment #2 in the amount of \$2,104,542.

Maintenance Budget:

The proposed PPRTA Maintenance Program Budget for 2017 has been increased from **\$21,905,186 to \$30,462,597**. This increase reflects the actual carryover amount reported by PPRTA Finance plus the 2016 Additional Revenue Carryover and the 2017 Additional Revenues for Budget Amendment #1, and the allocation of Additional Revenues for Budget Amendment #2 in the amount of **\$1,339,228**.

The budget will address citywide maintenance needs such as capital project maintenance; bridge maintenance; sign and signal maintenance; roadway maintenance to include pavement overlays and rehabilitation, striping and patching, and concrete maintenance such as curb/gutter, sidewalk, and ADA pedestrian ramps in conjunction with the annual resurfacing program. Additional maintenance needs will be identified through citizen requests and through the maintenance program evaluation process.

Re: El Paso County 2017 Proposed Budget Amendment #2

El Paso County is pleased to submit its proposed Revised Budget (Amendment #2) for both the Capital Program (2015-2024) and for the 2017 Maintenance Program. The proposed additional revenue allocated to El Paso County Capital Program is **\$836,352**. The Proposed additional revenue allocated to the El Paso County Maintenance Program is **\$532,264**.

El Paso County Capital Program (2015-2024)

El Paso County proposes to apply its share of the 2017 Additional Revenues for Amended Budget #2 in the amount of \$836,352, to the Beacon Lite Road project. This action will replenish a portion of the funds previously transferred from the Beacon Lite Road project to the West Colorado Avenue project and brings the Beacon Lite Road project budget to \$3,154,552.

The table below reflects a summary of the budget allocations resulting in a 2017 revised budget of \$37,464,995. The 2016 carryover amounts have been updated to reflect the actual carryover amounts as provided by PPRTA Finance. The table also reflects the budget allocations previously identified for the 2016 Additional Revenue Carryover and the 2017 Additional Revenues for Budget Amendment #1.

El Paso County Maintenance Program

The proposed PPRTA Maintenance Program Budget for 2017 has been increased from \$9,726,508 to \$13,218,770. This increase reflects the actual carryover amount reported by PPRTA Finance plus the allocation of Additional Revenues for Budget Amendment #2 in the amount of \$532,264.

As in the past, our maintenance program will include concrete repairs to curb, gutter, and sidewalk for roads planned to be paved in the following year – 2018, as well as, customer service requests requiring concrete repair or maintenance; pavement maintenance to protect and extend the life of paved surfaces including overlays and chip seals; gravel road maintenance and rehabilitation; striping, shouldering, patching and other maintenance needs, such as signal maintenance that are identified during the maintenance program evaluation process.

The process for prioritizing paved roads for repair and rehabilitation will remain a cost benefit analysis per our Pavement Management Analysis (PMA), which annually evaluates the entire paved road system based on funds available.

The specific elements within each category and the allocation of the available budget by category are currently being evaluated. El Paso County is also evaluating the cost effectiveness of contracting all or part of the needed services versus purchasing materials to accomplish the program while utilizing County forces and equipment to perform the work.
