PPRTA Second Quarter Progress Report 2017

Greetings,

For the months April, May and June. We have continued meeting with El Paso County staff with regards to the Belvidere Project. We have assisted them with assessing the problem areas as well as initial locates and verification of utilities. We continued plowing snow, maintaining our roads and continued maintenance to our fleet of equipment. We have also purchased fuel. We had equipment breakdowns during these months incurring the following expenditures.

- Asphalt patch \$209.80
- Fuel \$1395.70
- Equipment Repair \$603.97

Thank you,

The Town of Green Mountain Falls
