PPRTA Last Quarter Progress Report 2016

Greetings,

For the months January, February and March. We have been meeting with El Paso County staff with regards to the Belvidere Project. We have assisted them with assessing the problem areas as well as initial locates and verification of utilities. We have been plowing snow, maintaining our roads and continued maintenance to our fleet of equipment. We have also purchased fuel. We had some snow equipment breakdowns during these months incurring the following expenditures.

- Snow Supplies \$519.19
- Fuel \$878.94
- Equipment Repair \$486.4

Thank you,

The Town of Green Mountain Falls
