To the PPRTA Board of Directors and CAC members:

PPRTA First Quarter Progress Report 2023

Please find the following progress summary:

The Town of Green Mountain Falls continued to undertake all regular road maintenance practices including the filling of priority potholes on the Town's limited paved roads. With respect to the remainder of the municipal street system that remains unpaved, Town staff subjected all roads to routine grading, compaction, and drainage support operations.

With respect to the Town's Capital Project (Stilling Basin) the project is underway and approximately 95% complete. Tasks to be completed include final grading/landscaping.

Respectfully submitted,

Becky Frank
