To the PPRTA Board of Directors and CAC members:

PPRTA Second Quarter Progress Report 2023

Please find the following progress summary:

The Town of Green Mountain Falls continued to undertake all regular road maintenance practices. With respect to the remainder of the municipal street system that remains unpaved, Town staff subjected all roads to routine grading, compaction, and drainage support operations. The Town was impacted by the June 2023 storms which initiated an emergency declaration by El Paso County which the Town was included. The Town incurred emergency repair expenses during this time. A portion of the Town's PPRTA Maintenance allocation for 2023 was utilized to address these emergency repair needs.

With respect to the Town's Capital Project (Stilling Basin) the project is effectively complete. There is a project close-out meeting scheduled for December 6th at which time the final project costs and reimbursements will be determined.

Respectfully submitted,
